Dear Sir:

Supplementing the IDS at filing and in accordance with the requirements of 37 CFR §§ 1.56 and MPEP 609, the Applicant through its attorneys and representatives, hereby brings to the attention of the Examiner a translation of one of the Japanese language documents previously submitted. The translation of JP 2000-251797 is noted on the accompanying Form PCT/SB/08. A copy of the translation is enclosed. This submission is timely in that it is made prior to a first action on the merits.

That Japanese language document was noted in an Office Action in connection with the corresponding Japanese application of May 1, 2007. A copy of the Action is submitted, but a translation is not readily available. The relevance of the document can be gleaned from the English language translation and its citation in the corresponding Japanese application.

It is requested that the Examiner review the translation of the ISR reference noted and make such consideration of record.

Dated: July 11, 2007

Respectfully submitted,

Ronald P. Kananen
